Passengers to/from London are best advised to change at YORK or DARLINGTON which has more available trains than DURHAM. Cross Country trains also offer London connections at Doncaster (Marked*). Chester-le-Track supplies Oyster Cards for reduced price travel in and around London, and no queuing for tickets. Train on time? Text "CLS" to 84950. Answer comes in about 5 seconds, telling you the status of the trains due at Chester-le-Street. Messages cost 25p.

Trains South from Newcastle

to Chester-le-Street

14th December to 16th May 2009. Chester-le-Street station books tickets between ANY stations in Great Britain, not just to/from here. Phone 0191 387 1387, or book via our website at www.nationalrail.com 24 hours. We close at 1300 on Saturdays and Bank Holidays. Every effort has been made to make this summary comprehensive, but compressing four route timetables (National Express East Coast, CrossCountry, Northern Rail and TransPennine) on to an A4 sheet requires abbreviation. Check full booklets, available free, for complete stopping pattern, more connections etc.
