13th December 2009 to 22nd May 2010

Passengers to/from London are best advised to change at YORK or DARLINGTON which has more available trains than DURHAM. Cross Country trains also offer London connections at Doncaster (Marked*). Chester-le-Track supplies Oyster Cards for reduced price travel in and around London, and no queuing for tickets. Train on time? Text "CLS" to 84950. Answer comes in about 5 seconds, telling you the status of the trains due at Chester-le-Street. Messages cost 25p.

Station Booking Office: 0191 387 1387
Station Fax: 0191 387 3386
A2B Taxis at Station: 0191 388 8883
National Rail Enquiries(24hrs): 08457 48 49 50

* service does not operate between Reading and Birmingham New St between 7th Feb and 28th March 2010

Trains South from Newcastle to Chester-le-Street

13th December 2009 to 22nd May 2010. Chester-le-Street station books tickets between ANY stations in Great Britain, not just to/from here. Phone 0191 387 1387, or book via our website at www.nationalrail.com 24 hours. Every effort has been made to make this summary comprehensive, but compressing four route timetables (East Coast, CrossCountry, Northern Rail and TransPennine) on to an A4 sheet requires abbreviation. Check full booklets, available free, for complete stopping pattern, more connections etc...

Showing direct trains calling at Chester-le-Street, with connections to London in italics. Additional connections to points shown are usually available.

Engineering works to upgrade the railway can affect your journey, especially at weekends.

Check your schedule with us or National Rail Enquiries on:

08457 48 49 50

Alternative journeys can be planned using Grand Central between Northallerton, York and London Kings Cross.
